

Dear Colleagues,

The Campus Electrical Upgrade power management control system test and commissioning, originally scheduled for Monday, January 29, 2018 from 2 a.m. to 4 a.m. has been postponed. Please expect a future notification updating the date and time of the test.

If you have any questions or concerns, please contact Design and Construction Services, John Scharf at 949-824-6641 or jascharf@uci.edu.

Sincerely,

Ronald S. Cortez, JD, MA
Vice Chancellor
Administrative & Business Services

Professor Scott Samuelsen, Director
Advanced Power and Energy Program
