UCPATH LAUNCHES JANUARY 2020

Attend a Roadshow Event to Learn How UCPath Affects You

Dear colleagues:

UCPath, a UC systemwide project to replace our current 35-year old payroll system, will go live at UCI in January 2020. The transition to UCPath affects all UCI employees, including academic, staff and student employees.

You will use UCPath Online to:

- View and print earnings (pay) statements
- Update personal information such as home address
- View benefits, sick and vacation balances
- View and update tax forms
- Manage direct deposit (up to three accounts)
- Make life event changes (marriage, birth, etc.)

It is important that you know and understand what UCPath means to you. We encourage you to attend an upcoming UCI UCPath Roadshow event in October/November. There are multiple sessions at various campus, Health Sciences and medical center locations. Reservations are not required.
