

# THANK YOU!

I would like to close out our staff appreciation week by saying thank you for your hard work. We have over 400 of our employees who continue to work the front lines in supporting our campus community as well as those of you who are continuing the great work by telecommuting.

We continue to face new challenges with a positive outlook, and jump into new responsibilities with a can-do attitude. Each of you truly embody our tagline of **With U • For U** with a service-oriented approach—thank you!

I look forward to our [town hall](#) next week where I will get to see many of your faces on Zoom.

Have a wonderful weekend.
