Dear DFA colleagues,

Associate Vice Chancellor of Environmental and Facilities Services Allen Shiroma announced his retirement effective June 30, 2023. Allen has been at UCI for over 14 years and has played a significant role in managing \$95 million of campus deferred maintenance and infrastructure improvement projects as well as implementing steps to improve renovation processes and accelerate the completion of critical campus projects. Allen oversees both Facilities Management and Environmental Health and Safety.

A campuswide announcement will go out closer to his retirement date that will include transitional information (e.g., recruitment plans, celebration of Allen's years of service, etc.). Please join me in congratulating Allen on his retirement.

Thank you,

Mary Lou D. Ortiz
